

## BRAZIL MISSION REPORT OCTOBER/2023

Dear brothers and sisters, grace and peace! We are so thankful for your partnership! You are always in our prayers and together we are spreading the good news of our Lord Jesus in the city of Foz do Iguaçu.

We are very excited with the progress of the work here. God has opened doors and the gospel has been preached. The theological courses are happening on Monday's night, Wednesday's afternoons and nights, Thursdays in the morning, afternoon, and evening. These classes are providing contacts and several personal Bible studies are taking place. We also have our English course that happens every Tuesday with morning, afternoon, and evening sections. Please keep the work in your prayers and the new converts.

The Church in Foz is growing and we are so grateful for your financial help and prayers. Partnership is very important and together we will do a big difference in the lives of the people. God's blessing upon this work is also amazing, we are blessed. People are thirsty and willing to learn and obey the truth. The new brothers are already helping during the worship service. Nádia has been a blessing, like an angel sent by God to take care of the kids. She loves doing that and she does it with passion and excellence.

Praise God we have an air conditioning in the building now. The temperature here is always high, so we needed one. We also started a small group to help the members to grow and to develop friendship, please keep it in your prayers too.

We are happy with the two families that will arrive in Foz to complete our team. Miguel & Danubia and Davi, their son; and Cristiano & Karol and Mateus and Rafaela, their children. They are preparing their move to arrive in Foz in December. They need financial help to move and to pay for their ticket's expenses. If you can help, please send it to the Church in Lamesa.

We are blessed to have you in our team. You have a great part in this mission. We hope and pray that you will come sometime to see the work that you have tremendously blessed. We love and miss you! God bless!

In Him, your missionaries,  
**Rui and Nadia Diogo**
