

BRAZIL MISSION REPORT

JULY 2023

Dear brothers and sisters, grace and peace! We are so thankful for your partnership; together we are starting another congregation of our Lord Jesus in the city of Foz do Iguaçu. You are always in our prayers.

The English course provided a lot of contacts. We have 15 people scheduled to start a personal Bible study and 25 people signed up for the theological course that will start on the first week of August. Please keep all of them in your prayers and many more that will come.

Please pray also for **Carlos & Jessica** and their daughter **Sofia**. They are moving to Foz in the end of July. I know how hard it is to leave family, house, job, friends, and family church to move to an unknown and far location. They will need a lot of prayers. The Church in Caxias will also miss them. They are active members and they have been there for 7 years. They lived their whole life there and it will be a great challenge for them. Nadia and I visited the Church in Caxias and complement them for sending this family to Foz. Carlos and Jessica are very eager and excited about the work God called them to do. If you would like to support Carlos and Jessica in this missionary work, please send your help to Lamesa Church of Christ.

This week we have the first baptisms in Foz, Pedro & Clair, please pray for this couple new walk with Christ. We also place the banners throughout the neighborhood advertising about the theological course in August. Thank you so much for praying for **Ava's health**, she is recovering and praise God her heart is beating on its own now. Please continue praying that she will be stronger to be able to go home. Please also keep Ava's mom and dad in your prayers.

We are so glad to have all of you in our team. You have a great part in this mission.

Please come to see us sometime. We love and miss you! God bless!

In Him,

Your missionaries Rui and Nadia Diogo.
