

**BRAZIL MISSION REPORT
JUNE 2023**

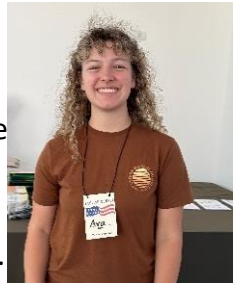

Dear brothers and sisters, grace, and peace! We are so thankful for your partnership, together we are starting another congregation of our Lord Jesus in the city of Foz do Iguaçu. You are always in our prayers. We are so grateful for the brothers and sisters coming from Arkansas to help us to have a great start.

It was two weeks of hard work and hard walk. We handed out more than 20.000 flyers.

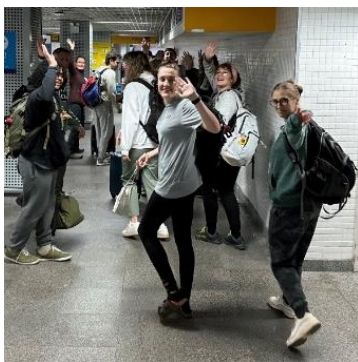

Please help us pray for Ava. She was on the team that came to help us. She, on the right, got sick here and was hospitalized in Chicago and she is in a serious condition.

We worshiped together with excelente preaching and singing. The graduation was a blessing with families attending.

The result of the work, that was done during those 2 weeks, is more than 200 contacts; praise God. We already have some people decided to have a personal Bible study. Please continue pray for us and for the work if Foz.

It was so hard to say bye to them after two weeks working together. We are so thankful to God for these soldiers of Christ.

At the end of July Carlos and his family will arrive to join our team and in December Cristiano and his family will also arrive. Please pray for them as their finish their preparation and do the transition. While we wait for them Nadia and I will be giving personal Bible studies, theological courses and teaching English to 84 people that came from the big campaign made with the help of our brothers and sisters from Arkansas. Please pray that God gives us health and wisdom.

We are glad to have all of you in our team. You have a great part in this mission. We love and miss you! God bless!

In Him,

Your missionaries Rui and Nadia Diogo.
