The Lord continues to bless us as we continue to train the body of in Liberia for his glory. This semester, we have twenty-one students and seven instructors. In June of this year, four of our students will complete the BibleforSouls College two years curriculum for graduation. These students will be ready to work in their various churches in our brotherhood.

BIBLEFORSOULS TEACHER

George teaches at BibleforSouls College. He completed teaching his Life of Christ class on that beautiful Friday evening and decided to drive home. He drives for an hour and thirty minutes to teach at BibleforSouls College every Friday. George almost made it home safely but was met with an unfortunate motor vehicle accident. He got hurt and he is still undergoing treatment for his left broken leg. His vehicle was damaged. Please continue to pray for George's swift recovery. It will take time for him to heal. One of us will take care of his Life of Christ class.

CALEB CHILDREN CENTER

This past January, Caleb Children Center celebrated her fifth Gala anniversary. We appreciate God and many of you that continue to support this ministry. Without your generosity of love, many of these children will be unable to learn how to read and write. Thanks for supporting us as we serve these children in Liberia. Brethren, we wouldn't be able to reach them at this early age with God's word if you weren't partnering with us. Just this year, seven students at Caleb Children Center have obeyed Jesus in the watery grave. See below some of our students that have put on Christ.

STORMS DESTROYED CALEB CHILDREN CENTER

We have lost six walls of the future home of the Caleb Children Center building we are constructing. This is due to rough storms that came our way and destroyed our building project. To assist us in rebuilding these walls we need 467 steel rods, concrete bricks sand, crush rocks and cement bags. The amount of (\$6,500.00) will save this project from further destruction. Please help us with whatever amounts you purpose in your heart. We look forward to hearing from you regarding this matter.

Some of our students were accompanied to the community park for fun and education.

CALEB CHILDREN CENTER PARENT OBEYED CHRIST

Our hearts rejoiced greatly when one of our students at Caleb Children Center mother obeyed Jesus. Blessing is her name and she got saved in February of this year. I thank my God each day for all that he's doing through every one of us on this mission field.

In February of this year, Prince Ugbe and Emmanuel Essien were invited to come to Liberia to teach and preach to the people of Liberia. We had a great time together as we preached his word to Liberia. Prince directs the Newlife Behavior International Training in Nigeria alongside Emmanuel Essien. These and their wives were a great blessing to the church in Liberia.

Prince, and Mrs. Regi Ugbe, Teachers

Please continue to pray for the safe arrival of our partners and the local team members in Liberia. This will be our 13th Back to the Bible Campaign. A two-day training will be conducted by brother Ray Hawkins on June 5-7 and then followed by a long week of house-to-house door knock campaigning. House to house Campaigning will commence on Saturday 8-14, 2024. Pray please that God will bless us.

SINGING AND STUDYING

We are very grateful for what God is accomplishing through us. Sometimes we encourage others to join us by the riverside to sing and study God's word and it has paid off and it continues till this day. From singing and sowing the gospel seed Jesus added three precious souls to his church in the Gulf.

GULF CHURCH BUILDING PROJECT

Many thanks to every one of you that continues to support us along the way. From worshipping under the plum trees God has blessed us. Worshipping our God under trees was a big challenge to us during the rainy season. It is sweet here because there is no more disruption from the rain as we worship God Almighty. Thanks for this gift, brethren.

YOUTH CONFERENCE 2024

We are planning to bring 200 youthful souls together this August for God's harvest. Please pray for a great harvest and bountiful outcomes during August 20-23, 2024. Our communities are losing the battle as children are giving themselves to drugs, stealing gambling and prostitution. Only God can arrest this unrighteous situation. Therefore, please partner with us for this upcoming coming Youth Gathering at the church of Christ.

EVANGELISM CAMPAIGN IN MONROVIA

Edmund Borfay was the guest preacher at the Central Monrovia Church of Christ. The outcome from this effort was encouraging. When an invitation was extended to the those that came to hear the power of the gospel, six (6) individuals obeyed Jesus.

VACATION IN UNITED STATES

The time of the year is approaching for our yearly vacation and follow up with a medical doctor regarding our health. Please remember us in your prayers as we are planning to travel safely during the summer months. Thanks for your prayers and unwavering financial support you continue to send our way to do God's work.

Please greet the Saints that continue to pray and provide for our needs.
